

# Application Guidelines for Exchange Students

(2025 Spring Semester)

## About Dong-eui University

Since founded in 1966, Dong-eui University has grown as one of major universities in the south-east region of Korea with a total of 16,000 students in eight colleges, 45 departments and six graduate schools. As one of the top universities of the region, Dong-eui University is faithfully fulfilling its function of providing education, research and community service requested for the 21<sup>st</sup> century. Faculties of Dong-eui University are making great commitments to contribute to the regional and national development.

## Location

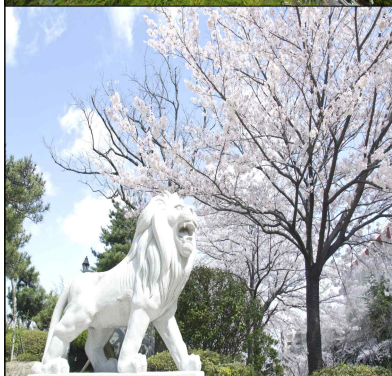

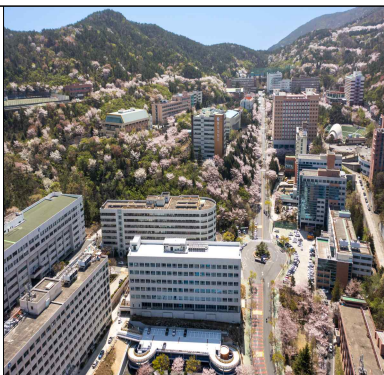

Dong-eui University is located in Busan, the second city after Seoul (the capital city of Korea), and it is a beautiful city with mountains, rivers, and seas. Dong-eui University is located in Seomyeon area, the 1st central region of Busan. It is also connected to the subway "Dong-eui University Station", providing the best transportation.

## Campus

- ◎ Eco-friendly campus in the forest
  - ◎ Busan's central university that goes with local residents
  - ◎ An unparalleled green campus in an urban center
- (Selected as the Top Ten Most Beautiful Campus)

Dong-eui University is known for its eco-friendly campus!

As the pride of the locals, the campus in and of itself is a place of healing.

The harmony among the school, the neighborhood, students and the residents come together for a green campus in the heart of the city.

## Application Process

- Nomination Deadline: November 15<sup>th</sup>, 2024

- **Application Deadline: November 31<sup>st</sup>, 2024**

- **Note:** Before the application, we need to receive nomination lists by e-mail. After sending us the nomination lists, please send the original copies of application documents to the International Exchange Team by post(EMS). If original documents are not received by the deadline, application will not be accepted. Also, the documents must be sent by the institution, not the applicant himself or herself.
- **Address:** International Exchange Team, 176 Eomgwangro, Busanjin-gu, Busan, 47340, Korea

## Academic Courses

- Regular undergraduate course

Dong-eui University offers a variety of courses for exchange students. Basically, they can choose most of the courses except some particular courses like Korean Medicine, Nursing and etc. Please refer to the below departments lists:

- Korean Language & Literature, Chinese Language & Literature, Japanese Studies, English Language & Literature, Economics, Banking & Insurance, International Trade, Business Administration, International tourism Management, Hotel & Convention Management, Foodservice Management, etc.

## Korean Language Course

- Since most of the courses at our university are taught in Korean, DEU offers Korean Language Course for exchange students so that they can follow up the courses. They can take the Korean Language Course **for free for the first semester**. From the second semester, they can pay the tuition for the Korean language classes and take the course voluntarily.
- To assign them an appropriate class, a level test will be required before registration. Classes are held in either morning or afternoon classes, 4 hours a day, from Monday to Friday. After they complete the course, a certificate will be issued.
- **Tuition fee information**
  - KRW 1,800,000/semester(15 weeks, KRW 120,000/week)
  - additional 5 weeks: KRW 600,000(total 20 weeks)

## Buddy Program

Dong-eui University offers 'Buddy' program for exchange students to help them settle in Korea well. Exchange students and Korean students can exchange their languages and cultures mutually. Buddy students support various activities such as airport pick-up, on-campus and off-campus events, bank account and mobile phone opening, so that exchange students can adjust to school life in Korea.
